DIGITAL FULL COLOR PRINTS

Bumper Stickers, Labels, Instruction Sheets, Directional Maps, etc.

Material

2.5 ml (.0025") thick vinyl with and a high tack adhesive back. Backing peels from edge, no center cuts. Max width: 51"

Full color prints are digital printed on vinyl material and are great for advertising indoors or outdoors. For outdoor use, we suggest laminating the print. The image becomes more vibrant and is better protected against ultraviolet rays. The laminating process will also extend the life of the print before fading begins by approximately 1-1/2 years.
