# Thank you for choosing ID Line!

Shape: ST-1285
Actual Size: 1.25" x 8.5"

Design Notes:
If your design has a bleed, please allow .125" beyond the shape border. If product is going to be digitally printed, all colors should be in CMYK. Screen printed orders should specify Pantone® or spot colors. Be sure to include a color proof with your order. Fonts should be included with order, unless you have converted them to outlines or are using one of our standard fonts.
