California Proposition 65 Letter

Based on standard use in apparel, bags and footwear, YKK fastening products either (1) do not contain the substances included in “The List of Chemicals Known to the State to Cause Cancer or Reproductive Toxicity” as set forth in The California Safe Drinking Water and Toxic Enforcement Act of 1986(“Proposition 65”); or (2) do not contain the substances in excess of the safe harbor limits set forth in the Proposition 65 safe harbors as of October 4, 2018, with the few exceptions listed below. Unless otherwise amended by YKK, this letter is valid for one year following the date of issue.

Exceptions:

- 1) TZN airtight/watertight fasteners
- 2) Rail fasteners with PVC materials
