Our Velour Towels are **Specifically Engineered** for your marketing needs with a soft velour front, which is the only side that gets **Sublimated in Full Color**, & has a non scratchy zero ink feel. The **Back Side is White Cotton Looped Terry** which is the side that gives the user the comfort of terry & the **High Absorbancy** we expect from a towel. Not only is it a Towel design with logo printing in mind but is **Compact & Easy to Roll on the Go**. Non edge to edge options are available also.

SUBLIMATION
 Pricing include full color full bleed (edge to edge) sublimation.
