CUSTOM PACKAGING

Turned Edge (BX-14)

Turned Edge Packaging makes a first impression that is second to none! Features a vibrant full color or leatherette cover, which we wrap around rigid chipboard, for a box that will impress. Customize in many ways such as printed liner, custom tray or foam insert, magnetic closure, and much more. Our experienced Packaging experts are ready to assist you create the perfect box for your project!

Corrugated/Mailer Boxes (BX-15)

We print directly on corrugated materials, creating a vibrant and impressive first impression. The wide range of custom options include shape, size, imprint & fulfillment display/ support. This box makes the perfect fit for promoting your project. And you never get a 2nd chance to make a first impression!

Paperboard

Paperboard is easy to cut and form. It is both lightweight and strong- making it ideal for packaging samples, products, marketing information & more!

Vibrant graphics ensure your promotions will be noticed

CUSTOM PACKAGING

Poly Boxes / Totes / POP Displays

Poly Boxes, Totes and POP Displays offer a unique alternative to other packaging. Poly is a very durable material that endures heavy use, can be wiped clean, and has the option of transparency. It also has environmental aspects as a recycled/recyclable material which can also be made using recycled milk jugs!

Specialty Solutions

As a custom manufacturer we will create the perfect package for your project, which sometimes leads to Specialty Packaging Solutions such as using alternative materials, zippers, custom handles and die cut box inserts, to name but a few. In helping you make your project a success we have 3 goals - a design that creates a positive impression; a durable package that protects its contents; and a package that meets your budget.

Custom Slipcases

Slipcases not only offer a sturdy, protective package for important marketing materials, but are great for promoting branding and other marketing messages. Standing prominently on a desk, shelf or cabinet, customize your Slipcase with vibrant full color graphics, or choose a subtle faux leather cover with foil stamp imprint. Whichever style you choose, a Slipcase will ensure important marketing materials will last!

MATERIAL & COLOR OPTIONS

Custom Materials

We have access to thousands of materials and can custom manufacture material to fit your pattern, color, and even specific scent.

Material Descriptions

- Arrestox: From deep, rich vellums to natural linens, this cloth material is used on Turned Edge products.
- Calfhdyde: This premium simulated leather boasts a smooth grain appearance with a matte finish. You will find this popular material in our Milan and Tuscany collections.
- Castillian: Another premium simulated leather with a smooth grain appearance, but with a polished, gloss finish to add luster to your item. Castillian can be found on many of our domestic items. Our domestic Castillian is offered in many colors, as referenced below.
- Classic Material: This economy vinyl comes in a rainbow of colors.
- Durabond: A deep textured simulated leather featured on our Santa Fe products.
- PU/Leather (Thermal): Rich Polyurethane material that darkens when debossed. A cut above.
- Polyester: A fashionable cloth material that gives product a retail appearance
- Poly: a durable, economical & environmentally friendly option
- Prairie: A very popular premium simulated leather with a matte finish. Prairie is available in the colors below on most of our domestically manufactured items.
- Sevilla: A smooth grain simulated leather
- Venetian: Premium simulated leather with a noticeable, medium grain texture and mild gloss finish
- Ultrahyde Material: Premium simulated leather with a medium grain finish.
