

Artwork/Logo Requirements

For optimal imprinting results, vector art is required (.ai, .pdf, .cdr, .eps) or your images should be a minimum resolution of 350 at 100% imprint size. For vector artwork, submit your fonts converted to outlines or paths (vector curves).

We can convert your artwork to vector art ranging from FREE to an additional charge. We'll contact you if your artwork does not meet resolution requirements.

Artwork/Logo Background

Keep in mind the product color.

Ford logo, "White Box" on blue background
