GENERAL INFORMATION

- All toys are mass produced in China, India, or Indonesia. Stock toys are imprinted and assembled in the United States.
- Quotes are valid for 30 days.
- Standard bulk packing inside one plastic bag within master carton. Individual bags available quote upon request.
- Email Purchase Orders to sales@logobears.com
- Email artwork files to sales@logobears.com
- Toy Measurement: Toys are always measured stretched from top of toy to the bottom of the toy; therefore a toy in the sitting position that measures 6” high sitting; will measure 8” stretched from top to bottom and the item description will indicate an 8” toy.
- Shipping: \$10.00 drop ship each location and \$6.00 handling charge per box for customers who require shipping on their account number.

TARIFFS

All orders and quotes are subject to adjustment in the event that tariffs or other executive actions impact the price of imported goods prior to delivery.

TOY SAFETY

Our products comply with all U.S. Consumer Product Safety Improvement Act (CPSIA) federal toy safety standard enacted by Congress in section 106 of 2008. The toy safety standard refers to ASTM F 963-11 and to ASTM F 963-07e1 products for use by children under 14 years of age. Our toys are independently tested safe for all ages. Some styles include embroidered eyes.

STOCK INK COLORS

*PMS Color Match - Additional Charge

STOCK TOYS

MINIMUM ORDER REQUIREMENT:

No minimum order quantity for toys ordered blank. A 100 piece minimum on imprinted orders or less than minimum fee will apply.

- **PMS Match:** PMS matching service is available for \$60.00.

- **Samples:** Send an email to request samples.

- **Terms:** Terms are prepaid. We accept check, Zelle, direct deposit and credit card. Please add 3% for credit card payment. Please complete the Credit Card Authorization Form.

CUSTOM TOYS

MINIMUM ORDER REQUIREMENT:

Size, complexity and fabric requirements of the toy drives minimum order. Email character photo, desired size and additional details to sales@tshirtbears.com to receive a price quote within 48 hours.

PRODUCTION TIME:

Standard production time for custom toys by sea is 90-120 days from final approved sample. Rush services available for orders needed in less than 90 days via air freight. Production times are average and subject to change according to market conditions.

ADDITIONAL CHARGES:

- **Set-up:** Toys can be created from a concept drawing or existing toy. An original concept creation is a \$1,000 set-up cost whereas existing toy set-up costs is \$500. Original concept design work is done by our U.S. design team and takes approximately 1 week to complete. Existing toy modification is done by our Factory design team and takes approximately 2 weeks to complete.

- **Shipping:** Direct factory shipping options available via Air and Sea depending on size of order. Quote upon request. Send receiving requirements for palletizing and shrink wrap for quotation.
