## The image shows a page with horizontal ruling lines. The background is white with a light gray geometric pattern of overlapping triangles and squares. The pattern is more prominent in the lower half of the page. The ruling lines are thin and gray, spaced evenly across the page.

# Custom Product Design

## Design • Modification • Development

Designing custom products is **EASY** with i-mark®!

With over 32 years of experience, our design team will put its proven expertise and creativity to work for you! Whether you need a custom product or a modification to an existing i-mark® product, we have the solution for you.

1. Supply a drawing, description or sample indicating desired dimensions, special features, or modifications.
2. To request a modification of an existing i-mark product, provide the item number with your requested changes.
3. Provide desired quantity needed.
4. Provide project budget, so our bid will reflect appropriate construction, materials and options.
5. Indicate needed specifications, special colors, materials and hardware to enable bid proposal accuracy.
6. Outline desired delivery dates for proof and product.

***Providing service with innovation, quality, value & integrity!***

***Providing over 30 years of service  
with innovation, quality, value & integrity.***

**i•mark®**

**World's finest personalized writing instruments and accessories.**
