

Introducing Studio Cuisine™, our new collection of ergonomic kitchen tools and gadgets created for both style and ease of use. The faux wood grain decoration application projects the look of real wood, while still maintaining the benefit of being dishwasher safe*. Featuring heat resistant nylon and silicone heads that can withstand temperatures of 400°F - 450°F.

Put your name brand in the hands of new homeowners, apartment renters, home chefs and more. These accessories make a unique and useful individual giveaway, or can be used in combination with a recipe or a premade ingredient kit. Larger sets are available for gifts and incentives.

*Manufacturer recommends hand washing on select items. Features may vary by style, please see individual item notes for specific details.
