

California Prop 65 Statement

Stein Fibers, Ltd. fiber does not contain any intentionally added materials listed on California Proposition 65 list. Some chemicals, however, may be present as by-products, residuals, or natural impurities as part of the fiber manufacturing process. The below statement is specific to fiber distributed by Stein Fibers Ltd. that is manufactured by Huvis.

To whom it may concern,

Huvis polyester fibers do not contain any intentionally added materials on the California Prop 65 List, nor are these materials expected to be present above reportable levels as by-product, residual or natural impurity.
